

Did you know that there is now an online program to become a Certified Dietary Manager/Certified Food Protection Professional (CDM CFPP)?

Boise State University Center for Career Advancement and Idaho Healthcare Association have partnered with DMA to bring you a 12 month online course that combines 4 online training modules and scheduled practical field experience hours that will satisfy the mandatory education hours need to be eligible to take DMA's national credentialing exam.

It has never been easier to further your education and advance in your career!

Features:

- Medical Nutrition Therapy
- Managing Food Service Operations
- Human Resource Management
- Food Safety and Sanitation
- Get hands on practical field experience
- All supervised by a Registered Dietitian
- Start and the beginning of any module
- Complete class work in the comfort and convenience of your own home
- Attend IHCA Conventions and Workshops for your required Registered Dietitian preceptor hours

You DO NOT need to be working in the food service industry to take this course
