Helpful documents found on the "Provider Page" for Residential Care:

1. Frequently Asked Questions document was last revised in November of 2014. This document is a very helpful tool for nurses responsible for delegation. It is written by residential care surveyor staff members in response to questions submitted by those working in the residential care industry.
2. Regulatory Requirements has direct access to rules governing residential care facilities. Of specific interest is a document called Nursing in Assisted Living. This is a "handbook" written by the residential care surveyor staff to guide nurses in the specific rules applicable to the provision and documentation of nursing care in assisted living facilities.

Quality Assurance Checklists provide guidance to nurses completing a review of a facility's
